[Despatch Abstract.]

Sch. S - Special - The government Schools for Defective children - Studies proceeding home during summer vacation - Payment of travelling allowance - proposal. Approved

COPY OF LETTER FROM THE DIRECTOR OF PUBLIC INSTRUCTION. MADRAS, R.C.No.684-L3/50, DATED 21ST JANUARY, 1951.

SUB: TRAVELLING ALLOWANCE - Travelling allowance to blind and deaf mute-students studying in the Government Schools for the Blind and Deaf-mutes - Sanction - Requesting.

There are at present four Government schools for the Blind and one for deaf-mutes as shown below, and they are all residential schools:-

1) Government School for Blind, Poonamalle.
2) " ", Salem.
3) " "", Cuddapah.
4) " ", Kasargod.
5) " " Deaf-Mutes, Chunangad.

The inmates studying in these schools generally leave for their homes for the Summer vacation. Most of them are very poor and they find it difficult to meet expenses connected with their to and fro journeys. It has been the custom in the school for the Blind, Poonamalle, now taken over by Government to pay single-fare for the to & fro journeys of the inmates and pocket money during the journey period. I recommend that Government may be pleased to sanction similar Travelling allowance to the students when travelling to and from institutions in which they receive education from and to the place of vacation once during a year (i.e.) for and after the summer or long vacation. Railway concessions whenever and wherever available will be obtained.

2. From the particulars received from the heads of institutions mentioned above it is estimated that the expenditure for the purpose may not exceed Rs.1000/- a year. No provision has been suggested to Government for this item in the - Part II of the Budget Estimate for 1951-52 and it is now too late to suggest any provision in Part I of the Budget Estimate for 1951-52.

3. If the proposal is approved the expenditure will be met by reappropriation of funds in due course. I request early orders of the Government in the matter.

COPY OF LETTER FROM THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS RC.NO.357-13/52 DATED 22ND JUNE 1953.

SUB: SCHOOLS - Special - The Government Schools for defective children -Students proceeding home during summer vacation - Advance drawal of - the amount - Permission - Requested.

REF: G.O.Ms.No.350. Education dated 12th February 1951.

Government in their order cited, have permitted the incurring of expenditure annually towards the payment of Travelling Allowance and pocket money to the students of the Government Schools for defective children for their journeys to and from the place of vacation.

2. As most of the pupils of the schools are poor and as they cannot meet the expenditure for the journey towards railway fare, bus fare, food charges etc. from their pocket first and reimburse the same after the completion of the journey, I have permitted the Special Officer, Government School for the Blind, Ponamalle to draw in advance the amount that may be required for the journey of the pupils to and from their homes during the vacation.

3. It is reported by the Special Officer that the Accountant General, Madras has objected to the drawal of the amount in advance and requires ratification by Government for drawal of the amount in advance.

4. I therefore request that Government may be pleased to issue necessary general orders permitting the drawal in advance of the amount sanctioned in G.O.Ms.No.350 Education, dated 12-2-1951 towards the payment of Travelling Allowance and pocket money of the pupils whenever necessary. I also request that the action of the Special Officer, Government School for the Blind, Ponamalle in having drawn in advance the amount sanctioned in the G.O. under reference may also be ratified.
